

How can I help with the Capital Campaign?

- **KEEP INFORMED** – Read and fully understand updates and notices. Ask questions of members of your Parish Leadership teams. Refer those with questions to the people who can get them the information they need
- **ADVOCATE** – Show your enthusiastic support to other parishioners, staff, family and the community. When others see your passion, it is contagious. They will want to join us in this important mission
- **VOLUNTEER** – Help on one of the many teams being established
- **DONATE** – Make a financial 3-year contribution to Phase 1 of the campaign
- **PRAYER** – Ask the Spirit of the Risen Jesus to inspire your planning and accompany your work
