St. Pius X Catholic Church Capital Campaign

SAN PIO X CAMPAÑA DE CAPITAL

St. Pius X Catholic Parish and the Surrounding Communities are Growing

La Parroquia Católica de San Pio X y las Comunidades que la rodean están Creciendo

- Forecasted population growth in our parish boundaries (3-mile radius of the church) for 2012 is 6,973 children between the ages of 5-9 and 7,074 for ages 10-14. This information was compiled by the Archdiocese.
- Many local parishes and Catholic schools are in the midst of capital campaigns to expand their facilities to meet the demands of today and the needs of the future.
- Beaverton School District is building new schools and expanding others to keep up with growth.
- The Big Look Task Force, appointed by the Governor, reported last September that an estimated 1.7 million new residents headed to Oregon in the next three decades.

Our Parish Facilities are Unable to Meet Current Demands for Space

Las Facilidades de la Parroquia no son lo Suficiente Grande para Cumplir con los Espacios Requeridos

- We are very short of meeting space across the campus
- The Community Center can be difficult to book and often hosts many different events in a single day
- Our Faith Formation Programs, Latino Community Programs and School are growing but are limited by the lack of adequate and appropriate space
- Our gym is booked from 3 pm to 11 pm with CYO teams, some of which must share the gym for practices; there is no more available time slots for additional teams or other youth activities

Poor Sound Quality in the Church Limits Participation in Our Liturgies

La Calidad Pobre de sonido en Nuestra Iglesia Limita la Participación en la Liturgia

- It is essential that all members of our parish feel welcome at Mass and other events held in the Church.
- In the past year alone we received approximately 28 requests to tackle the issue of poor intelligibility of the spoken word at the Masses.
- Our pew survey results also had this ranked as a priority as well.

Planning Guided by Our Mission

Planificación Dirigida por Nuestra Misión

As Catholics of the Archdiocese of Portland at St. Pius X Parish, we are called to be the eyes and hands and heart of the Risen Jesus. We respond by being stewards of creation as lifelong learners in community.

Como católicos de la Arquidiócesis de Portland en la parroquia de San Pio X, estamos llamados a ser los ojos, las manos y el corazón de Jesús Resucitado.

Respondemos al dirigente de la creación como unos discípulos eternos en la comunidad.

Multi-Phased St. Pius X Parish Campus Master Plan

Plano Magistral de las Múltiples Etapas del Campo de la Comunidad de San Pio X
