

A note from Michelle Schleh
St. Pius X Catholic Church Business Manager

This December I will be concluding my time as Business Manager of St. Pius X Parish.

Since 2006, I have had the privilege to work in several roles within the Parish staff - beginning as a coordinator of the Sunday School programs to stepping into the role of Business Manager in 2016. Each year and each role brought more involvement with all of you in our wonderful community. The greatest gift I have received has truly been the people I have met and worked with along this path – staff, parishioners, volunteers, visitors, and all those that touch our hearts as we share in moments of life and faith. It has been a wonderful journey and an honor to serve with you.

St. Pius X has long been my Catholic home and I look forward to seeing you all in the pews and supporting the ministries in our vibrant and faith filled parish. I am excited to engage in new moments within our community and enjoy more time keeping up with my family and adventures to come.

*Blessings to you all this Advent season,
Michelle Schleh*
